The Honorable Thomas B. Stanley  
Governor of the State of Virginia  
Richmond, Virginia

Dear Governor Stanley:

It was indeed a pleasure to be able to talk with you for a few minutes yesterday concerning our plans for a new headquarters building for the Central Intelligence Agency on the Bureau of Public Roads property near Langley, Virginia. I am sure that we will have a building of which the Federal Government and the State of Virginia can be very proud.

Your cordial welcome is genuinely appreciated and we look forward to working with General Anderson and the other State officials in the development of this most important project.

Sincerely,

Allen W. Dulles  
Director
